## Bargaining Update # 5

October 16, 2009

1. The CNC met with the State of Alaska for the second 2-day negotiation session on October 13-14, in Juneau.
2. The CNC submitted proposals and counter proposals that included the following:
  - Increasing personal and annual leave accruals by three days a year;
  - Strengthening our language in Article 13, to limit contracting out of GGU jobs and services;
  - Adding the day after Thanksgiving as a holiday; and,
  - Language requiring the State to reimburse the cost of required occupational licenses and certificates.
3. We entered into tentative agreements (TA) on Article 8 (Emergency Personnel) and Article 23 (Meal and Relief Periods). These two TAs made no material changes to the current contract language.
4. The next negotiation session is scheduled for November 4-5, in Anchorage at the ASEA Headquarters.
5. Membership involvement and support is vital to successful contract negotiations.
