JOB TITLE _____

I HEREBY authorize my union, ASEA/AFSCME Local 52, to use for political purposes fifty cents (50) per pay period of the portion of my current Union dues that is allocated to the Member Advancement Program (MAP). This authorization permits my union to transfer any amount of this money, up to fifty cents (50) per pay period, to the ASEA/AFSCME Local 52 Political Action Committee (PAC) account, to be used by the PAC for political activity.

This authorization is done freely and voluntarily with the understanding that these funds may be used by the Union for political related expenditures or transferred to the PAC for political contributions to candidates and other PAC political activities in connection with federal, state and local elections.

I am making this authorization knowingly and voluntarily without fear or reprisal from anyone and I will not be favored or disadvantaged by anyone for exercising this right. This voluntary authorization can be revoked at any time by notifying ASEA/AFSCME Local 52 of my desire to do so.

Authorizing that fifty cents (.50) of my MAP allocation may be used by ASEA for political purposes will not increase the amount of my current union dues paid to ASEA/AFSCME Local 52.
