Northwest Regional Conference in Hood River

4

5 I have spoken with Billie Benedict and the second rural person that will be attending is  
6 Kathy Hunsicker. Alma Seward, has expressed an interest to attend this conference also  
7 and is willing to pay half of the cost as I am doing. She has never been to this conference  
8 and will be retiring next year as well as completing her service on the board next March.  
9 The question to the board is:

10

11 Will the board authorize paying half the cost so that Alma can attend the Northwest  
12 Regional Conference? Please respond ASAP because if the answer is yes, we need to get  
13 her registered yesterday! Thanks, folks.
