

COMMITTEE PARTICIPATION

Each Delegate must indicate their preference of choice to participate in the following committees. *The Chapter Secretary must then attach this form to the Delegate Credentials and submit to Union Headquarters by the stated deadline in the Call to Convention.* In ranking your committee participation preferences, please keep in mind that every effort will be made to place delegates in committees in which they are more interested. However, the ranking sheet is an administrative tool to assist the Union President, and/or his subcommittee, to complete the convention committee assignments in a most expeditious way to meet our convention preparatory timelines. It is not a guarantee of participation in a particular committee.

Please rank your preference of participation from 1st choice to last choice. Mark once for each committee.
