April Celebrations

Happy birthday to all that celebrate this month. Your birthstone is the diamond and your flower is the daisy.

Happy anniversary to all the couples celebrating!

March, in review

I didn't forget March, Chapter 3-So much happened. As we continue to breeze through the first of the year we met March with events in our world that are noteworthy and some that are heartbreaking.

Sadly we lost a great political icon, Rep. Don Young, as we extend our condolences to his family.

Let us all give a moment of silence to our families in Ukraine. There are many ways to reach out and help the families in Ukraine.

ASEA Virtual Convention - history in the making!

I am happy to have made history and officiated our first-ever Biennial Virtual Convention, Stronger Together for Alaska.

Thank you to our delegates for the work we accomplished in our pre-convention committee work.

Your Delegates, were in charge of reading, reviewing, and reasoning through constitutional amendments and resolutions that were put forth in our governing documents. Work well done! Thank you to our entire wonderful staff for the behind-the-scenes technical achievements and magic that was performed. It was Amazing!

Your April Chapter

The month of “April Showers, Spring, and Easter”. Start planting your bulbs, cleaning your yard, decluttering your garage, etc. but wait, there is still snow on the ground in some communities! We will get there.

This Chapter of your/my book continues to be positive, productive, and powerful while sprinkling Love and Honor in every little thing you do. How did challenging yourself to be positive for 24 hours work out? were you surprised? Try it again by the end of the day.

More from March...

March was the month to celebrate women and International Women's Day was celebrated on March 8th and I hope you recognized a woman in your life. A very notable woman, Judge Ketanji Brown Jackson was nominated to the highest court in the nation, and her historic confirmation vote was completed to ascend her to our national Supreme Court! She stood proud and respectful of her grueling questioning. I honor and salute all our women in our Union, thank you for your service. Stand Proud and Strong!

What's happening in your neck of the woods (or tundra)?

As there are many events happening around the State in our Union please let us know what's happening in your community so we can share it!

Post events on your chapter website or send those events/happenings to ASEA Headquarters so we can put it on our calendar.

In closing...

Lastly, my Union Brothers, Sisters and Siblings, I want to humbly thank you for electing me to serve you once again as your Union President. I stand with Honor and Pride to represent you, our membership.

Continue writing your 2022 New Years' book, Reset and Reconnect while Honoring what you do in your upcoming Chapters. Healing, Peace, Love, Good Health, and Blessings to you and your family. Collectively we will continue to make a difference while Honoring each other. Thank you for all you do for our State. As always, I will continue to HONOR AND SERVE YOU WITH STYLE AND GRACE!

In Friendship and Solidarity,

Dawn Bundick, (she/her/hers)
ASEA/AFSCME Local 52 President

GGU CNC VICTORY!

Wow our team has engaged feverishly with the State and I am so excited to say a tentative agreement has been reached. Thank you to all of you who attended the session to watch how this process worked while navigating what the State proposed to OUR contract. We “Showed up and Showed out” and the State paid attention because they know we are engaged in our future through our contract. Now it's time for us to read the Gains and Losses and make your voice heard and cast your vote and ask yourself, is this a contract that supports what we want? Then vote!

Brothers and Sisters Never Forget, WE are the largest Union in this great State of Alaska and we carry alot of clout, WE ARE STRONGER TOGETHER IN ALASKA!
