PRESENTATION OF COLORS

INVOCATION

Invocation by Chaplain Gerald Silliman.

WELCOME BY VINCE BELTRAMI, EXECUTIVE PRESIDENT, ALASKA AFL-CIO

President Valerie Kenny, the presiding Chair of the 15th Biennial Convention 2014, ASEA/AFSCME Local 52, welcomed and introduced Vince Beltrami, Executive President, Alaska AFL-CIO.

Alaska AFL-CIO President Vince Beltrami began by noting that the Alaska AFL-CIO would be unable to do the work they do without the assistance of Alaska State Employees Association/AFSCME Local 52. As a result of Jim Duncan’s leadership and the contributions of his staff and members, ASEA is the Alaska AFL-CIO’s biggest affiliate.

We are currently facing many battles beginning with Ordinance 37, which is essentially the pre-Wisconsin, pre-Michigan, pre-Ohio, pre-Indiana battle that has been waged against public employees in those states for the past couple of years. This is like a warning shot over the bough to see how unions are going to react. He is very proud the efforts put forward by municipal employee unions and non-affiliate members like ASEA because everyone knows how important this issue is.

The people that want to eliminate public employee unions are attacking us on the political battlefield, whether it’s nationally in other states or right here at home on a statewide basis or here in
Anchorage. Alaska is the #1 target – the #1 target in the country for Right-to-Work legislation, which is basically nothing more than an attempt to undermine unions and if they can pass Right-to-Work legislation in this state, then we lose the strength that we have. The strength we have is that Alaska is #2 in the country with respect to union density; roughly 22-23% of all workers in the State of Alaska are members of labor unions. President Beltrami reported that ASEA is Union Strong under the leadership of Jim Duncan and nationally is Union Strong under the leadership of President Saunders. The strength of unions in Alaska is what is making us a target.

The common thread in Michigan, Ohio, Wisconsin and Indiana is Right-to-Work. They were able to pass legislation in Michigan, in just two days without difficulty and without any scheduled hearings. The common thread in these states is a Republican House, a Republican Senate and a Republican Governor, which is exactly what we have here in Alaska. We support Republicans. All we ask them is how they feel about our issues, how they feel about working family issues, that’s all that matters. We do have a number of Republican friends, which is one of the reasons we haven’t had Right-to-Work in Alaska and why collective bargaining has not been eliminated for public employees.

There is a lot at stake at our next election and it is time for ASEA to tune in to what’s going on and to turn out for what needs to happen. We need you to show up, we need you to talk to your co-workers, your family members, your friends and to tell them what’s at stake and that when your leadership sends you information on a candidate we’re supporting, understand why they are doing that—it is because that person said that they support our issues, irrespective of whether they are Republican or Democrat.

CONVENTION COMMITTEE REPORTS

REPORT OF THE LEGISLATIVE COMMITTEE
COMMITTEE CHAIR Nadine Lefebvre (Juneau): Madam Chair, to the Assembly thank you, Nadine Lefebvre, Juneau Chapter. I served as the Committee Chair on the Legislative Committee that met on Thursday, March 13th. Thank you to Committee members Donna Gellings (Ketchikan), Cindy Calzada (Anchorage), Lawrence Camp (Anchorage), Bruce Gazaway (Juneau), Barbara Hale (Juneau), Denisse Salas (Anchorage) and Vinton Woodyard (Petersburg) and staff liaisons Fate Putnam and Reber Stein.

Our staff liaisons guided our review of pending legislation and the Committee selected to compose resolutions related to pending legislation most egregious to Alaskan unions and issues of state and national importance. The pending legislation is time sensitive because we are in the 54th day of the 90-day session and by day 60 all negotiated union contracts with monetary terms must be acted on. This is especially important to our three maritime unions who have been in negotiations since December and are plagued with SB182 which would negatively impact their wages changed by a Cost of Living Differential (COLD). We encourage membership participation because our sisters and brothers need to have relief before day 60. Please support the Legislative Committee’s Resolutions. Respectfully submitted this day, Nadine Lefebvre, Chair.

REPORT OF THE RURAL/BUSH COMMITTEE
COMMITTEE CHAIR PAM CHATHAM (Ketchikan): Hello, Pam Chatham from Ketchikan, Chair of the Rural/Bush Committee. I would like to thank Committee members Ryan Burt (Kodiak), Lola Carpenter (Bristol Bay), William Dunne (Kachemak), Joy Erickson (Ketchikan), Christopher Fowler (Cook Inlet), Michi Robinson (Ketchikan), Amy Sparks (Glennallen), Tonia Thayer (Cook Inlet) and Robyn Turner (Yukon Kuskokwim) for their work on the two (2) resolutions we submitted to the Resolutions Committee and we would very much appreciate your support to adopt.

Resolution No. 14/No. 31 (Wildland Fire Technicians-First Responders):

COMMITTEE CHAIR CHARLES STEWART (Anchorage): Class I Committee Chair Charles Stewart introduced Committee members Kelly Ferguson (Sitka), Joe Koss (Anchorage), Tony Lopez (Cook Inlet), Cassandra Lynch (Anchorage), Rose Scogin (Anchorage), Leila Sheffield-Brown (Yukon-Kuskokwim), Jerry Soplanda (Midnight Sun) and Warren Waters (Anchorage). THEREFORE, BE IT RESOLVED, that ASEA Local 52 encourages the State of Alaska Department of Administration to reclassify Wildland Firefighting Technicians & Wildland Fire Dispatchers as First Responders.

Resolution No. 27 (AFSCME 50,000 Strong Campaign):
THEREFORE, BE IT RESOLVED: Together we will join AFSCME’S efforts to sign up 50,000 new AFSCME members from those who were previously fee payers or non-members, and we will encourage a higher level of activism through education and mobilization. We will train and army of 800 activists to educate our co-workers and their families about what’s at stake and what our Power to Win goals are.

REPORT OF THE WOMEN’S COMMITTEE

ACTING COMMITTEE CHAIR ZUZANNA BOBINSKI (Fairbanks):
Good morning Madam President, members of the Statewide Executive Board, delegates, staff and guests.

Our Committee Chairperson and one committee member are hospitalized and are recovering. We encourage you to buy WIC vests and sweatshirts. The auction will end later today, so we encourage you to get your bids in this afternoon so we can collect the money by 6:00 p.m.

Resolution No. 12 (AFSCME Education & Training Support)
ASEA has members appointed to national Committees who are tasked with sharing AFSCME information with our local members. The information comes in the form of ‘Save the Date’ cards, flyers, training handouts and conference information for specific groups, i.e., Next Wave; Women’s Education; Nurses, Probation Officers and others. These appointees, whose names were put forth by our President and voted on
by our Statewide Executive Board have the obligation to share the
information with our members so we want to keep our members informed
by broadcasting that information when it comes to either the
Executive Director, Statewide Executive Board and/or appointees of
these AFSCME National Committees on our statewide websites and in
broadcast emails to our members.

THEREFORE BE IT RESOLVED, THAT any information, flyers, newsletters,
training opportunities be disseminated to our membership within 10 days
of receipt.

Resolution No. 13 (Workplace Established Space for Nursing Mothers):
We are asking delegates to support our Resolution which gives members
information about expressing milk in the workplace. The more our
mothers know that we support them at the workplace areas they will
continue to be productive employees for our state and at ease in
supporting their newborns. Please support our breastfeeding
expression and milk. Our PAC also supports this measure, HB 228 – Be
it enacted by the legislature of the state of Alaska for an act
relating to breaks for employees who are nursing mothers.

THEREFORE BE IT RESOLVED, THAT ASEA encourages the development of a
statewide standard providing for adequate break time and space for
working nursing mothers.

THEREFORE BE IT FURTHER RESOLVED, THAT ASEA/AFSME Local 52 develop and
have available to the membership a pamphlet informing our members of
their rights for adequate breaks and an uninterrupted area for
lactation purposes. Such pamphlet will be added to all new hire packets
and given to each Chapter for dissemination to existing members.

Thank you and please support our Resolutions as they benefit all our
members, in Solidarity Zuzanna Bobinski.

REPORT OF THE NEXT WAVE COMMITTEE

COMMITTEE CHAIR JONATHAN THOMPSON (Anchorage): Madam Chair, Jonathan
Thompson, Anchorage Chapter, Next Wave Chair. The Chair introduced
and thanked Committee members Ben Creasy (Juneau), Kari Doran
(Juneau), Micheal Hills (Juneau), John White (Anchorage) and members
who took the time to sit in on their Committee meetings and
contribute their opinions. They were a valuable resource to us and we
appreciate it. The Next Wave Committee put forth two (2) Resolutions.

Resolution No. 32 (Tier IV/V Retirements)
THEREFORE, BE IT RESOLVED THAT ASEA/AFSCME Local 52, support the
development and advocacy of legislation which increases the state’s
contribution percentage, allows members to voluntarily increase their
contribution percentage, and requires the state to match a percentage of the employee’s voluntary contribution.

Resolution No. 40 (Next Wave - Policies and Procedures)
THEREFORE, BE IT RESOLVED THAT policy and procedure 2.03.100 Next Wave Committee is re-written to state “is created for ASEA members who are either newly active or 40 years of age and under, to recruit, engage, educate and address the issues and concerns of those members.”

REPORT OF THE CONSTITUTIONAL AMENDMENTS COMMITTEE
COMMITTEE CHAIR MICHAEL WILLIAMS (Anchorage): Committee Chair Michael Williams reported that the Constitutional Amendments Committee met on Thursday afternoon, March 13, 2014. Committee members were Leimomi Martin (Juneau), Megan Howard (Anchorage), Autumn Vea (Anchorage), Bill Hunt (Midnight Sun), Shawn Staker (Midnight Sun), James Schwarber (Midnight Sun), Joseph Stubbins (Juneau) and Rich Sewell (Anchorage).

The list of Constitutional Amendments that were submitted prior to the January 24, 2014 submission deadline for the Convention was disseminated to the Assembly. Constitutional Amendment #4 was referred to the Resolutions Committee because the proposal did not amend or create a specific Article in the Constitution. The proposal contained some policy matters that the Committee believed were more appropriate to place before the Resolutions Committee.

Constitutional Amendment No. 4 – ASEA Email System
WHEREAS, AFSCME/ASEA has in the past provided emails to all AFSCME/ASEA members and new employees,
WHEREAS, AFSCME/ASEA should therefore re-establish ASEA emails and system support for all current and new employees and, retired employees.

WHEREAS, ASEA will no longer be required to work with the State of Alaska ETS personnel to use the State email addresses to disperse information.
WHEREAS, ASEA will make this available to all members as soon as possible.
The Chair ruled that Constitutional Amendment #4 did not rise to the level of a Constitutional Amendment and was referred to the Resolutions Committee.

The ORDER OF PRESENTATION: Constitutional Amendment Nos.: 2, 1, 3, 5. A reminder to the Assembly that because these are properly pre-filed Amendments, the motion before the body will automatically be to ‘adopt’ the Amendment. The Committee will have a recommendation, but the motion on the table is to ‘adopt’ the Amendment. For the proposed Constitutional Amendment to pass, vote ‘Yes’ and for the proposed Constitutional Amendment to fail, vote ‘No.’

Main Motion 14-073 (Constitutional Amendment No. 2 Appendix B)

WHEREAS the two references are not in harmony;

THEREFORE BE IT RESOLVED to amend Appendix B.02 to change ‘120’ to ‘90’ so that it is consistent with Art 6.05 A.2.

10.06 Per Capita

A. The State Executive....

B. Individual Chapters of ASEA Local 52 shall be allotted 100 hours of Business Leave, on an annual basis, for use in performing Chapter business. The allocation is contingent on: all of the Chapter Officer positions being filled, and the Chapter’s books passing the most recent audit within the existing time compliances. Said business leave shall be used for union business only – which can be interpreted by the Statewide E-board. Said business leave shall be accounted for by the chapter president – who shall thoroughly document and report all said business leave to the ASEA Local 52 Executive Director. Suspected inappropriate use of said business leave shall be adjudicated by the Statewide E-board – who can apply penalties of up to a 1 year allotment disqualification – for egregious misconduct.

The Chair noted that if adopted, the proposed Amendment would dedicate business leave for Chapter use and may contradict the Collective Bargaining Agreement, Article 26.08 C.1, governing the use of business leave.

The Chair ruled that the motion is out of order as it violates the Collective Bargaining Agreement.

REPORT OF THE RESOLUTIONS COMMITTEE

COMMITTEE CHAIR MAUREEN KOEZUNA: The Resolutions Committee was tasked with a very difficult job of working through 41 Resolutions that took a lot of time. The Chair recognized and thanked Committee members: Shawn Alexander (Midnight Sun), Michael Bredlie (FNSB), Matt Culley (Nome), Terry Hamm (Anchorage), Erik Johnson (Mat-Su), Beth Siegel (Midnight Sun) and Imeda White (Anchorage).

The reason there are four (4) separate packets is because Consent Agenda #1 is Resolutions (Resolutions 2, 3, 8, 9 and 10) received before the January 24, 2014 deadline. These Resolutions only require a majority vote. All other Resolutions require a 2/3rds vote.

Main Motion 14-077(Consent Agenda #1- Resolution Nos. 2, 3, 8, 9 and 10) — PASSED

The Committee recommends ‘Adopt as Published’

Moved by Committee to Adopt Consent Agenda #1 as Published

Amendment 14-077A

Moved by Karen Zubillaga (Midnight Sun) and seconded to amend Resolution #10 by replacing ‘2020’ with ‘20’ in paragraph 3.
and replacing ‘Legislative’ with ‘Legislature’ in paragraph 4.

Amendment 14-077A (Resolution No. 10) PASSED, with unanimous consent.

Resolution No. 2 – PASSED (as amended by Committee)

WHEREAS, legislation has been passed into law prohibiting employers from requiring nurses to work mandatory overtime.

WHEREAS, other direct health care personnel, including, but not limited to Certified Nurse’s Aides (CNAs) and Psychiatric Nurses Aides (PNAs) are still required to work mandatory overtime.

WHEREAS, CNAs and PNAs perform identical and or similar duties as other nursing personnel in the State of Alaska;

THEREFORE, BE IT RESOLVED, that the ASEA Executive Board support the development and furtherance of legislation prohibiting direct healthcare personnel, including, but not limited to CNAs and PNAs, from being required or coerced, directly or indirectly, to work in excess of 14 consecutive hours in a 24 hour period.

Resolution No. 3 – PASSED

WHEREAS, there is legislation currently pending before the Alaska State Legislature (SB 114 and HB 101) to amend AS 33.50.040 to read:

The caseload of a probation officer supervising probationers or the combined caseload of a probation officer or parole officer supervising probationers and persons on parole as provided for in (a)(5) of this section may not exceed 60 persons, except in temporary or extraordinary circumstances approved by the Commissioner.

THEREFORE BE IT RESOLVED that the ASEA Executive Board continue to support any and all legislation limiting probation officer or parole officer caseloads to a maximum of 60 persons.

Resolution No. 8 – PASSED (as amended by Committee)

WHEREAS:

Governments are increasingly enacting legislation designed to prevent Americans and Alaskans from voting, if they do not possess photo identification; and,

These laws disproportionately tend to affect young, rural, minority, and elderly voters; and,

The people most affected by photo identification laws are more likely to have a favorable view of labor issues and vote for candidates who support labor issues.

THEREFORE, LET IT BE RESOLVED: That the Alaska Legislature be compelled to increase the opportunity for all residents, but especially rural and bush residents, to obtain a State of Alaska Identification Card.

LET IT BE FURTHER RESOLVED: That prior to implementing laws restrict voting only to those Alaskans who possess a photo identification, the Alaska Legislature be lobbied to establish and fund a mobile identification card program.
Resolution No. 9 – PASSED (as amended by Committee)

WHEREAS:

Children, elderly and disabled Americans comprise 75 percent of recipients of the Supplement Nutrition Assistance Program (SNAP), commonly known as food stamps.

Forty percent of SNAP recipients have jobs, and one in seven Americans relies on SNAP.

The current United States Congress has not passed one jobs bill and one party has voted to cut job training programs.

After the last cuts in October 2013, the amount a family of four in Alaska receives each month was reduced by $41. In Alaska, the maximum daily food budget for a household of four is $24.82 for the entire family – a little more than $6.00 per person.

Changes to the Federal Agricultural Farm Bill will likely reduce these benefits even more drastically.

Unions have traditionally supported issues that affect the less fortunate among us and have led the charge in changing those conditions.

THEREFORE, LET IT BE RESOLVED: That ASEA urges President Obama and our Congressional Representatives to expand and protect SNAP funding.

THEREFORE, LET IT BE FURTHER RESOLVED: That ASEA urges Governor Parnell and our State Representatives to fill the void left by lack of Federal SNAP funding.

Resolution No. 10 – PASSED (as amended by Assembly)

WHEREAS: Lack of medical coverage for uninsured Alaskans increases the cost of insurance premiums for Alaskans that are covered by insurance.

The Federal government has offered to provide 100 percent of Medicaid expansion to uninsured Alaskans; and,

After 20 years the State would be responsible for only ten percent of the costs of the program expansion; and,

THEREFORE LET IT BE RESOLVED: That ASEA urges Governor Parnell and the Alaska State Legislature to ensure that the full impact of potential Medicaid expansion is considered, and to take complete advantage of federal resources to expanding Medicaid coverage to improve the health of Alaskans and to improve the Alaskan economy.

Chris Pace (Juneau): ASEA President Val Kenny: Recognition of Aaron Cole as the new International Union Representative and thank you to the Anchorage Chapter for the Friday evening reception. Next Convention a dance is desirable.

Nadine Lefebvre (Juneau): Request the Executive Board consider forming a Last Wave Committee to help members thinking about retirement in the next five (5) years.
Shawn Alexander (Midnight Sun): There were people who felt very passionate about certain issues and there was some tension before we came into this room. I am proud of everybody in here and proud to be a part of what we did here these last two days. Members spoke up, got involved, took an active hand in getting Resolutions that they felt would bring this Union forward, debated these issues and we made some things happen in this room that I think are healthy for us moving forward. Thank You.

Zuzanna Bobinski (Midnight Sun): As a member of the Women’s Committee, I am proud to say that Dawn Bundick is being released from the hospital, is happy to see all the pink in the room and that WIC made over a $1,000 in our Silent Auction.

Chris Pace (Juneau): Twenty-nine (29) members signed up as PAC contributors during the Convention.

Mark Dallman (Buffalo): On May Day (May 1st) there will be a Haymarket Ride, which references the aftermath of a bombing that took place at a labor demonstration in Chicago. Event organizers are looking for volunteers to help pass out tickets and to help with the event.

Imeda White (Anchorage): (1) I am so glad to see each and every one of you.
