Fairbanks GGU & Fairbanks North Star Borough Chapter Training

Between January 1315, ASEA Local 52 Chapters Midnight Sun and Fairbanks North Star Borough underwent Officer Training to become a more effective Chapter at serving the needs of their local membership.

Chapter Officer training is part of a continuing ASEA/AFSCME Local 52 Convention resolution of 'Educating Union Leaders.' Union Chapter leaders are taught effective leadership skills, officer roles and responsibilities, financial training, operational communications, comprehensive governing documents education, membership activation and goal setting.

Chapters that have already taken the training are already reporting a rise in general membership meetings with more participation and ideas, more involvement with their greater communities and an overall clarity on how local leadership can best serve their respective Chapters.

If your Chapter has yet to complete Officer Training, please contact ASEA HQ to get a Chapter Officer Training Request so we can tailor the training to fit your local Chapter's specific needs.

Officer Training is facilitated by Internal Organizers Ryan Kopiasz and MaryAnn Ganacias.
