President's Message

May has a few notable dates I would like to share with you.

- May 12th Military Spouses Day recognizes and honors the real backbone of the family – the spouses of our soldiers.
- May 14th Mother's Day honors the mothers in our lives
- May 19th National Bike to Work Day is a great opportunity to get some exercise and save gas
- May 29th Memorial Day is dedicated to the service men and women who gave their lives for our freedom and our country

This issue of AIA highlights ASEA's Committees which are alive and well. I would like to encourage everyone to find a committee that interests them to get involved. Some of our chapters have created Committees that champion ideas and community enterprises, raise money for scholarships and local organizations and participate in civic activities by partnering ASEA members with our neighbors, families and friends. Many of our chapters have sponsored parades, picnics, bike rides, softball games, Cancer Relay for Life events, highway clean up, fun runs and fishing tournaments.

Brothers and Sisters, a great way to get involved in YOUR Union is by volunteering to become part of an ASEA Committee. The more our neighbors know we are working for ALL ALASKANS and that community involvement matters to ALL OF US, they will know that we are AFSCME STRONG AND WE NEVER QUIT! I look forward to receiving a Statement of Interest from you requesting appointment to an ASEA Committee. Thank you for being involved in OUR Union and in YOUR community.

*In Friendship and Solidarity,
Dawn Bundick, State Executive Board
President ASEA/AFSCME Local 52*
