### AFSCME Convention Delegates/Alternates – Limited Attendance to Convention:

ASEA/AFSCME Local 52 has been allocated 12 delegate positions to the AFSCME Convention, however, attendance and expenses will be limited to six (6) delegates due to sufficient funds not being available to send a full delegation.\* (Ref. ASEA Constitution, Article 14.01.B). The top three (3) elected at-large delegates will attend with the President, Secretary and Treasurer, as designated in the ASEA Constitution, Article 14.01.A.

Please note, all Delegates and 12 alternates will be credentialed with AFSCME Delegates and Alternates that wish to attend at their own expense will be provided Business leave for attendance and participation at the Convention.

*\*(May 2018 – The ASEA State Executive Board voted unanimously to limit attendance at the AFSCME Biennial convention to the 6 members (president, secretary, treasurer and 3 at large delegates) as required by article 14.01 A & B of the ASEA constitution, due to sufficient funds not being available to send a full delegation.)*

# President's Message

Sisters and Brothers,

It's summer and our children are out of school, graduates are embarking on new opportunities such as college, work, or maybe taking time to just relax and chill to find their next opportunity. Our summers bring forth picnics, fishing, concerts, and just spending time with your family engaging in your communities.

Our chapters. Your chapter may be organizing family events for you to join, attend a chapter meeting to find out what all is planned. Bowling nights, fishing derbies, softball, and adopt-a-highway clean ups are just a few of the things chapters do in the summer. Contact your Chapter President to see what your chapter has for summer actives to help your community out.

Your Union has been quite busy in keeping you informed of the threat of the JANUS case which is looming, and the benefits that we have bargained and fought for. Union members have so many important benefits that we may take for granted that will be taken away which will affect us all. Brothers and Sisters, we don't realize what we have until it is threatened and you lose it. If a worksite meeting or coffee and conversations meeting is coming to your worksite, please attend one to get the latest up-to-date information.

As your President, I am asking you to stand with me and sign a Maintenance of Membership (M.O.M.) card. By your signing a M.O.M. card, you are committing to stand with your Union because you believe in your Union and are committed to what Unionism stands for, Unity! Be proud to say you are a union member and fight for what we have and want to continue to have.

Lastly, show how proud you are with a "PROUD UNION HOME" sign to display in your window or your yard. The more our neighbors know we are working for everyone and our involvement in our communities, they will know we are AFSCME STRONG AND WE NEVER QUIT! Your engagement in speaking up for your contract is important. If you want to join a committee, send a letter of interest Re: Joining a Committee to Dawn Bundick, President, ASEA State Executive Board at ASEA Headquarters in Anchorage. Thank you for being involved in OUR Union and your community.

*In Friendship and Solidarity, Dawn Bundick, State President ASEA/AFSCME Local 52*
