

OBJECTIVES As Written in ASEA Constitution Section 1.03

- A. To provide forceful and effective representation of the interests of union members in all matters relating to the negotiations of wages and other terms and conditions of employment...
- B. To promote in the hearts of union members a constant dedication to the principles of constitutional democracy.
- C. To promote fellowship, cooperation, and harmony among state employees.
- D. To foster a recognition among our members of the great power which they, as union members, have to effect change in the workplace and society.
- E. To protect and strengthen collective bargaining for public employees in Alaska.
- F. To promote a cooperative and harmonious relationship between the Alaska State Employees Association and other labor organizations.
- G. To engage in legal activities, research and educational activities... in order to achieve the goals set forth above, and principles set forth below.
- H. To carry out the objectives of the American Federation of State, County and Municipal Employees, AFL-CIO, as set forth in Article II of the AFSCME Constitution, so long as those objectives do not conflict with the principles and objectives that are specific to ASEA AFSCME Local 52; and
- I. To foster high quality performance on the job.
