

The Smart, Simple Way to Stay Safe Online.

Protect what's important all in one app:
your assets, identity, family, and tech.

Technology is essential to daily life. We use websites, devices, and apps that enable us to do nearly everything. But as the digital world grows more complex and advanced, so do online scams, cybercriminals, and predators.

Aura protects what's important – your money, identity, family, and tech – by detecting and preventing online threats. It's easy to use, simple to set up, and rated the #1 Identity Theft Solution by U.S. News and Security.org.

✓ **Financial Fraud Protection**

Stay a step ahead of threats with credit monitoring, credit lock, and financial tools to help keep your assets safe.

✓ **Identity Fraud Protection**

Get alerts if we detect threats to your identity, SSN, online accounts, and more. Plus, we help protect your personal info from data brokers that may sell your info on the Dark Web.

✓ **VPN and Online Privacy**

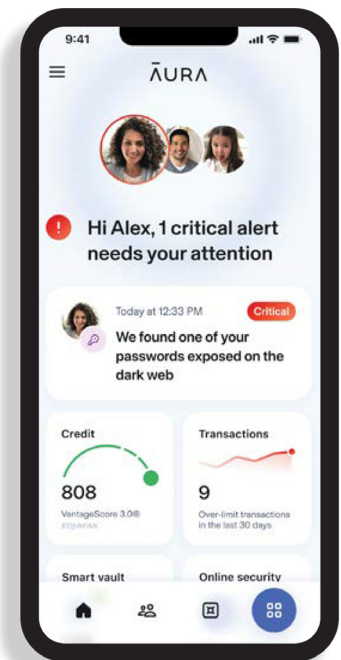

Secure your devices, keep your online activities private, and keep hackers at bay – so you can shop, bank and work online confidently wherever you go.

✓ **Digital Vault**

Securely store and share sensitive data, digital files and passwords with military-grade encryption – all in one place. We'll automatically enable monitoring and alerts for all financial and personal information stored in the Digital Vault to help keep accounts and assets secure.

✓ **Family Safety (Family Plans Only)**

Protect your loved ones from online predators with integrated safety tools that cover up to 10 additional adults and unlimited minors.

All Plans Include:

- Identity Theft Insurance** for Each Enrolled Adult
- 24/7 Customer Care
- White Glove Fraud Resolution Service
- Restoration Services for Pre-Existing Fraud Events
- Unemployment and Tax Fraud Resolution
