Bargaining Update No. 3 November 4, 2024

- Your Contract Negotiating Committee (CNC) met virtually on October 28 & 29 to continue work on contract proposals.
- Your CNC met virtually with the State of Alaska's Negotiators on October 30 for the first negotiating session to discuss the Ground Rules that establish negotiation guidelines between the CNC and the State.
- We again requested a copy of the salary study completed this past summer and were informed it is still on the Governor's desk for review.
- We proposed terms allowing ASEA members to observe online negotiations, similar to the last negotiation cycle. The State rejected the proposal and countered with language the CNC found unacceptable. We countered and are waiting to hear back from the State.
- The next bargaining session is scheduled for November 25-26, 2024, in person at the Anchorage ASEA Union office.
