MEMBER COMMENTS TIME CERTAIN 1:00 PM

Michelle Morris had no member comment
Lawrence Camp had no member comment
Courtney Wendel “As a member and delegate I am disheartened to see the amount of time that has
been spent by this board at past meetings, the amount of time that has been spent in committees such
as P&P Subcommittee, and the amount of time at member outreach that the work of this board and
committees have not been disseminated to the membership, as is evident by multiple resolutions
submitted that have the president’s name as a co-signer.

I am questioning why at meetings the president has raised no objections, has not suggested
improvements, has not offered informal guidance regarding the work of the board, but resolutions
reviewed during this meeting clearly indicate that she supports the notion that this body has
repeatedly failed the members we have been elected to represent.

I believe these actions foster a combative and hostile environment, do not support unity, and do not
transfer knowledge; one of the key responsibilities of the president. I also firmly believe these
actions could have the consequence, unintended or not, of hampering the duties which our Board is
tasked with performing. I would like a written response as to reasoning for the actions or lack of
actions described above, which can be entered into the record at the May 2020 Executive Board
business meeting.

Beth has not had the opportunity to respond to a member who’s email she just found while she was
on medical leave, “why is Jake micromanaging these communications when he has more important
things to do and delegating these small tasks”. Beth will reach out to him and follow up.

VERBAL COMMITTEE REPORTS TIME CERTAIN 1:15 PM

Lawrence Pride Committee oral report, going back to quarterly meetings to have a quorum. Wants
the status of the Pride Committee budget, not sure the dollar amount remaining. Going to have a
table at convention as well as we are hoping to do a face-to-face for members present at convention.
Did submit a resolution and waiting to see if Pride will take action on the bills before we submit
others that will be put through legislative or other committee at convention.

Chief Steward committee report Ken, Carl is emailing the minutes for the 16th meeting, had 15th
chiefs in attendance which is the most we have ever had. Jake gave an overview of what is going on,
Ken is retaining the chair, told them about the strategic planning and set the foundation for the
outreach. Jake said earlier that the 100 members joined, 100% is from ANC. There is a flow chart
now, and set the parameters and who will be responsible for what, who needs to be contacted, how
will we contact, then a follow up for Ken to reach out again. The chiefs will have another
teleconference and put out the data on what they have attained, the do’s and don’t’s. Have to reach
out to the FAI chief to get additional training as she is brand new. Ken will follow up with her this
week on that. Norma has a copy of the minutes to include with the report.
